

Churches Grow When Members Work

QUESTIONS FOR LESSON 7:

1. In the Scriptures, what is the word “fellowship” never applied to?
2. Upon whose teaching was the church built?
3. Where did they get their information?
4. What is the effect of that teaching on us?
5. What did they join together in?
6. How did they regard their own property in times of distress?
7. How often were they together? For what purpose?
8. In what are we not to be ashamed?
9. How did even those outside the church regard Christians at the beginning?
10. The saved were added to what?
11. What is the church compared to in Ephesians 4:16?
12. If every member did just like me, what kind of congregation would we have?
13. What is the other comparison that we consider in this lesson?
14. What comes to mind when we think of family relationships?
15. What is our relationship to God? To Jesus? To one another?
16. What are some of the privileges of being in the family of God?
17. What are the obligations that “one another passages” place on us?
18. How are we to regard our fellowship together?
